### **A BIT OF HISTORY**

In 2003, the Fabulous Fenwick Lions decided to raffle off a Harley-Davidson® Motorcycle as a fundraiser and to interest new members to join the largest service organization in the world. We then decided we needed to thank those that had supported us by buying tickets throughout the year and out of this was born Biketoberfest®. Since 2003, the Fabulous Fenwick Lions have raised approximately \$300,000 from the bike draw and Biketoberfest®. Biketoberfest® has grown to the largest motorcycle event in Niagara. It includes a Show & Shine, entertainment stage, vendor market, swap meet and food & beverage sales. The show started as a one day event, but with the addition of Ride of the Flags it is now two days.

The monies raised at this event have gone to support Lions Foundation of Canada (purchased 10 service dogs), Lions Camp Dorset (a kidney dialysis camp for patients and their families), CNIB Camp Lake Joseph, Welland Hospital Foundation, Pelham Cares (our local food bank), and Fenwick Lions Community Projects.
